aboard the 5-star *ms Veendam*

7-night Cruise berthed in HAMILTON & ST. GEORGE'S
May 2-9, 2010

Rated as "the world's best cruise line" by *Conde Naste Traveler*, Holland America is renowned for its touches of class, its sophistication and service that is unequalled. The atmosphere is relaxed, the food and entertainment are superior and the surroundings are elegant. You'll feel totally pampered by the friendly, efficient service, and everywhere you will find antiques, priceless artwork and bouquets of fresh flowers. The luxurious **Veendam** is the most elegant expression yet of the shipbuilder's art, with 3-story lobby atrium, two-tiered dining room with wrap-around windows, and canopies of Murano glass. Enjoy Holland America touches such as a Culinary Arts Center with cooking demonstrations, complimentary 24-hour in-room dining, terrycloth robes and flat-screen TVs with DVD in each stateroom, hors d'oeuvres at cocktail hour, an ice cream bar and a choice of pre-set seating or a flexible schedule for dinner.

We will motorcoach to the New York Cruise Terminal and board the **Veendam** for a 7-night luxury cruise. This grand cruiseliner calls on **Hamilton** for three days (berthed directly downtown on Front Street). Tour the capital city of Hamilton in a horse-drawn surrey, enjoy spectacular views of the harbor and sip afternoon high tea. We'll also dock in scenic **St. George's** for two days. Wander through this picturesque town with its cobblestone streets, visit historic King's Square and some of Bermuda's most breathtaking beaches. Experience the color and charm of Bermuda's British heritage, her pristine pink sand beaches, crystal turquoise waters, world class golf courses and delightful shops. We will be escorted by Penny Hardick, who will offer private shore excursions for the group at reduced prices from those offered onboard.
