Passion Play with Germany, Switzerland, & Austria

HISTORY OF THE PASSION PLAY

The history of the Oberammergau Passion Play begins in 1633. In the middle of the Thirty Years War, after months of dying and suffering from the plague, the people of Oberammergau took a vow to perform the "Play of the Suffering, Dying, and Resurrection of our Lord Jesus Christ" every ten years. At Whitsun in 1634 they fulfilled their promise for the first time. As early as the mid-18th century spectators were already coming to Oberammergau from all parts of Germany, attracted by the great power and fascination of the play. Nowadays, Oberammergau is happy to host guests from all over the world. In 2010 the village will be performing for the 41st time the play that the people of Oberammergau have kept up in unique continuation throughout the centuries.

In a five-hour performance more than 2000 participants enact the story of Jesus of Nazareth on the large open-air stage of the Passion Play Theatre with all its sights and sounds. Almost half of the inhabitants of Oberammergau perform with great dedication the story of the man whose message has given an incredible number of people hope and vitality throughout 2000 years. They play it out from his entry into Jerusalem to his death on the cross and resurrection.

Our journey begins, as we board our international flight from Minneapolis to Munich, Germany. **IF**

Friday, September 17, 2010 • Salzburg Area

Upon arrival in Munich, we meet our driver and board our coach to begin our exciting alpine adventure. Our travels today take us first to **Altötting**, Bavaria's most commonly visited pilgrimage site. We see the **Black Madonna** in the chapel in the center of the village and explore some of the churches surrounding the square. We continue to **Oberndorf**, where we see the "**Silent Night Chapel**." It was here that Fr. Josef Mohr and Franz Gruber performed their composition of this world famous hymn for the first time on Christmas Eve in 1818. We continue to Salzburg, the birthplace of Mozart, and the city of "The Sound of Music." **B/D**
